## PRAYER CORNER

***Prayer Corner: Reflect, Reinforce, Remember***

***Scripture Reference: Proverbs 15:14, Proverbs 15:16, Isaiah 59:1-3***

*Get ready for post-COVID-19. Every storm teaches us a lesson, so we are better prepared for the next. At some point, we will move past COVID and need to readjust from the residual. We are still in the middle but are learning how to live safely. One thing COVID exposed in our lives is vulnerable spots we should improve. So now, let's reflect and move in a different direction.*

1. *Reflect. Make an appointment with uninterrupted time with God. You can't fix what you don't know. All wisdom starts with God. You might have noticed some rough areas like a better relationship with your family, or your job or company might not be secured as you thought, or you needed rest. And we all have places we cannot see that can only be revealed by God. Then listen. "An intelligent person is always eager to take in more truth." Proverbs 15:14 MSG*
2. *Reinforce. The more you do with what you know, the more you know. What is the difference between knowing facts and possessing wisdom? Action. Take what God tells you, make a plan, and reinforce the weakened spots. Just because you might be able to do the things you were doing pre-COVID doesn't mean God needs you to do them post-COVID. If your job isn't secure during COVID, it might be God's way of redirecting you to something distinctive. "A simple life in the Fear-of-GOD is better than a rich life with a ton of headaches." Proverbs 15:16 MSG*
3. *Remember. God is pre, during, and post COVID. He is still God, and His power never changes. "Look! Listen! GOD's arm is not amputated—he can still save. GOD's ears are not stopped up—he can still hear. There's nothing wrong with God;" Isaiah 59:1-3 MSG*

*Do what you know to do, then rely on God to do the other.*
